Product Description

Low Sodium Tomato Juice - 198 KJ Energy 6 Mg Sodium Per 100ml

Product Description:

Unsalted Tomato Juice

Unsalted Tomato Juice is a delicious and nutritious juice made from ripe tomatoes. It contains no added sodium, making it an excellent choice for those following a low sodium diet. It is packed with essential vitamins and minerals, and has an incredibly low sodium content—just 6 milligrams per 100ml. It has no protein, fat, or cholesterol, making it a great choice for a healthy lifestyle. Furthermore, it provides 198 kilojoules of energy per 100ml, offering 2% of the nutrient reference value.

Unsalted Tomato Juice is the perfect drink for those looking for a refreshing, sodium-free ketchup. It is free of salt and artificial additives, making it a great alternative to conventional tomato juice. With its low sodium content, it is an ideal choice for those seeking to reduce their sodium intake. Enjoy the natural sweetness of tomatoes in a healthy and nutritious way with Unsalted Tomato Juice.
