Product Description

Product Description:

One of the unique features of our Tomato Fruit Juice is its low sodium content. With only 6mg of sodium per 100ml, it is a healthier alternative to traditional tomato juice. It is also fat-free, making it an excellent choice for those who are watching their weight or trying to maintain a healthy diet. At the same time, it is packed with energy, providing 220 KJ per 100ml, which is 3% of the nutrient reference value for energy.

Our Tomato Fruit Juice is also rich in carbohydrates, with 12.4g per 100ml. This makes it a great choice for those who need an energy boost throughout the day. It is perfect for athletes, gym-goers, or anyone who needs a quick pick-me-up.

Our Tomato Fruit Juice is made from 100% natural ingredients, with no artificial flavors or preservatives. It is also gluten-free and suitable for vegans, making it a great choice for those with dietary restrictions. It is also a great source of vitamins and minerals, including vitamin C, vitamin A, and potassium.

Overall, our Tomato Fruit Juice is a delicious and healthy way to enjoy the taste of tomatoes. It is a versatile drink that can be enjoyed in many different ways and is perfect for any occasion. Try it today and discover the many benefits of our Tomato Fruit Juice!

Drinks with different contents can be customized according to customer needs.

330ml-500L packaging available.
